Welcome!

Byway Barber + MOLA Gallery has been in the Queens Byway since 2012. The MOLA gallery is proud to serve as a warm venue for locals to celebrate the art within our community. Our artist opening receptions highlight the artists, giving them a chance to introduce themselves and their work.

By day, Byway barber is a busy, family friendly shop with a diverse and supportive customer base. The ever changing walls help to create a unique experience, and open an important dialogue in our community. We are grateful to be embarking on our fourth year of business, and thank you for being part of what is to come!

Thank You, Fran Meriot

## TERMS

The MOLA Gallery takes a 25% commission on all works sold while the show is hanging. Profits can be collected at the end of the show

Artists are responsible for delivering works, assist in hanging if needed and picking up work upon completion of show. Someone will be here to help, some supplies provided. All art should be ready to hang.

Artists are expected to be present at the opening reception. We will choose a date that is mutually acceptable.

The more the merrier! Please encourage family, friends and fans to come to the opening as well as stop in during business hours.

We advertise in the Falmouth enterprise, and send an E-flyer before the opening. Feel free to provide digital photos of your work for the E-flyer.
